

## HORSE WARRIORS™

Winter riding at the Diamondfly: Bareback is the warmest way to go!

We've been having some spectacular art instruction sponsored by the Wyoming Arts Council!

## WAITING FOR THE SUN!

Like all of you, we have been surfing the **Great State of Unknowing** about the future with COVID-19. We hope all of the Horse Warriors™ family stays healthy and safe!! This is our time in the year to be isolated anyway - grant writing, snow shoveling, and horse care - with the exception of our weekend art retreats for the upper level riders. Sadly, those **April and May art dates have been postponed** while we all commit to helping ourselves and others stay healthy. We hope to start up with our regular summer schedule on June 15th. Fingers and hooves crossed!

Our May/June adult courses - ***the Professionals' Training and the Somatic Experiencing workshops*** - have been rescheduled for September to give people time to rearrange travel plans. Fortunately, horse people understand flexibility needs!

We only have a few openings left in the summer schedule, so if you are interested in the Power Ponies™ program, please call us soon: **307-690-6124**. The Horse Warriors™ teen program is full in Star Valley, and we just have one opening in Jackson - hurry and save your spot!

Meet **RANGER**, the new Mustang in the herd! He's a baby - he will be 3 sometime in the spring - and you can follow his story on the Horse Warriors™ Facebook page and see how he is integrating. Biscuit, the palomino, is showing him the ropes a bit. His unusual color is **"Chocolate!"**

## THANK YOU FOR YOUR SUPPORT

This year we anticipate that all of our local non-profits, as well as nearly every equine program in our network, will be relying on the generosity of all our donors to keep our programs open for the future. With the anticipated reduction in program fees - due to late starts, cancellations, and possible closures - it could be that we will all need to increase our philanthropy. If that happens we hope you will continue to help us with our long term mission of **"Making the World a Better Place, One Relationship at a Time."** We are grateful for how you have helped us for so many years.
